Five-Year Index

Volumes 51 Through 55 of *The American Neptune* 1991–1995

Dates in parentheses after the names of vessels indicate either the year of building (if not in italics) or the year of the reference (if in italics). Vessels having compound names are indexed under the initial letter of the *first* word. A list of vessels having compound names, arranged alphabetically by last names, follows the index. This index was prepared by Jan M. Copes (1991 through 1994), and by Geraldine M. Ayers of the Peabody Museum staff (1995); it was edited by Geraldine M. Ayers and Nancy TenBroeck. The Special Supplement to Volume 54 (1994) is indicated as 54/S.
